“ Kim, I did not have the pleasure of meeting your mom, and I barely know you, but during this very trying time, I would like to send my sincere condolences to you, and your family. May she be received with arms open, and cradled in gods everlasting love, keep her memories alive in your heart, for it is there she will always remain. May her walk in heaven, by far exceed her run on earth. May she rest in peace.

“ Darlene,

I don't even know where to start. I know you are very special to Christy, but you became special to me as well. You were a part of our family. I enjoyed sharing our first Thanksgiving dinner in our new house with you. The relationship that you and I grew did not have a conventional start. You took the time to get to know me and I will forever be grateful for that. You left us way too soon. Say hi to my Grandma and Christy's Grandma for me! We know you will always be looking down, watching over us.

Rest in Peace, my friend
