“ Mom I wish you could have held on longer for many reasons. I never imagined you not being at Ronnie’s Graduation in a few months. 5 weeks of knowing I can’t physically see you or talk to you in person has been torture. I just hope you know how much I appreciate every memory you created for me like Bingo in Canada, games at the kitchen table, holidays, vacations and many more. I love and miss you beyond words can express. I pray you’re at peace and cuddling my baby for me.
