“ Cant believe that you are really gone. Way too soon. Ron and I were talking about the night we left traverse city hospital after visiting mom and you called to check on her and you talked us all the way home in a blizzard. Almost 2 hours. You probably didn't know but it meant alot to Ron that you still cared so much about mom and family. Will never forget all the great parties at yours and Pat's home. Especially our pig roasts. You and Pat made a beautiful family. Rest now. No more pain physically or emotionally. You will be missed. We know you are in your mom's arms now. Just for a smile, Ron remembers when your dad and him were at a party and your dad was driving after partying. The cops passed and turned around so they switched seats while driving since Uncle Ron wasn't drinking. COPS let them go because he said he was driving your dad home . Only them lol ❤️❤️😭😭
