“ So many memories growing up out at his house for our family reunions/his birthday. May phone calls where I never had to tell him who I was...I was always me and he greeted me with "hi me". I wish I was around more in the recent years. He is already missed by so many. I'm so sorry Aunt Glenna, Terri, Donna and all his grandkids. My heart breaks for you all. Prayers for everyone that feels his loss.
