“ *I can't believe this
I met David when he was at Henry for mount Clemens. He wanted to get a place with me. Really nice guy. Seemed like he had alot of things holding him back. But what I remembered of him is he was a good friend he use to stick up for me alot the times I did know him which was only a very little amount time. I actually found out about this from a old voice mail went to look him up on Google for a Facebook and saw this. Just stunned*

“ *The grieving heart speaks a language the mortal heart has no way to understand and a mother's grief and fears are not signs of weakness and self pity, but manifestations of great love and a courage born of desperation and hope !!!*

“ *May Jesus our Lord brings each and every one of you the much-needed peace during this sad time. Please know that I and my family are here with whatever you need. We loved David, Jr., and I have many fond memories of he and my children playing together when they were little on Omo Road and also, when I lived in Casco Township and he would come over from time to time to see Charity, Destini, Bobby and Gabrielle. He will be missed greatly by us all. I love you and again, please reach out if you should need anything.*
