“ My dad Ken text me today to tell me the news. My mom, Dina Grzadzinski was close friends with your dad. She passed almost 3 years ago (4.6.18) but her birthday is on 2/9. All I can think of is that she is planning a big party & with open arms invited your dad. They met about 25 years ago through USECA & ham radios. When your mom passed Dave gave me her beads & loom items that she use to love to make. I did it for a little but somewhere those were gone. I do still have both of the rubber made containers they were kept in though & keep my own crafts in them. There were many ham camping trips growing up, Christmas in July, and dinners gathered ive gone to. My mom truly loved your dad as a friend & I hope you find comfort that he is no longer struggling & in good company partying where they are. Sending healing hugs to you & yours. ❤️
