“ My condolences to the family. Dave will be greatly missed. He was one of my favorite neighbors & friend. He always had interesting stories and I loved listening to him. The last time I seen him, he showed me a picture of his wife at age 16 and 1 just before she got sick. She was absolutely gorgeous. I happened to glance over at him as he was putting his wallet away, I seen a tear run down his face. Of course I pretended I didn't see it. And he looks at me and he said "I miss her so much". He's not suffering anymore and he's with the love his life. May he R.I.P. I know I'll never forget him.
Sincerely, April Graham
