“*Dave- a man who with his wife surrounded by corn fields started a business in a garage to grow to become international in trade . Who, with his family renovated old broken down historical buildings of our city of Port Huron to become places of beauty for people to live in and new life for businesses to thrive. Trying to give a little life back to a town! One day I walked the sidewalks of my childhood in Pt. Huron to look high up on a lift to see an older man washing windows. He smiled down and said "hi Sharon, great day eh"? This CEO of multiple businesses not in a suit and tie but old work clothes with a wet sponge cleaning. That was Dave!! I'm sure giving his assistant Tim a few more gray hairs! A man who leaves a place or community better as a result of hard work ,vision and a family to seamlessly continue his work is worthy of a bit of honor in his passing and we do. Thanks Dave Witt for all. Condolences to Georgina, Kevin , Steve and family.
