“*Dave was a very loving person. He enjoyed making people laugh, telling stories, being with family and showing off his talent on the keyboard. He was incredibly happy spending countless hours with family playing baseball, fishing, camping, golfing, boating, you name it; he was always included and welcomed with open arms. He was like the little brother I never had and I loved him as such. My heart goes out to the entire Zweng family. With much love, Bonnie*
