“ Thank you for making my childhood memories at your house fun! You always made the yummiest Cool Aid ever! The baked goods were always so much appreciated. The meals you made mmm mmm! But besides that you were always so kind ❤️ It was so loving and comfortable. So glad we got to talk recently and you were just as cheerful still as you was back then. Very Blessed to have met and known you. As I told you you will always be Aunt Dawn in my heart. May you continue to be Blessed as you enter your next journey.

Dawn your light will continue to shine brightly into eternity. You are such a amazing and beautiful soul. I found alot of inspiration in you and your way of dealing with things. I don't know if I could be the strong person that is you. You did excellent in everything that you set out to do. Weather it was as a mother, daughter, grandchild, sister and numerous other capacity. I hold our recent conversations in my heart forever. I am so glad that we were able to express the love we had for each other. RIP and flow and grow into eternity. I'll see you when I get there.

Our condolences to Dawn's family. Our crazy family moved next door to Dawn & they were always very kind to us. I met Dawn during a snowstorm & my car got stuck. She helped me to get my car out. That crazy hill we shared was horrible to navigate in the snow. We moved away in 2009 but continued to see her at her job. May she RIP.
