“ If it wasn't for our husbands we would have never met. We have been buddies since 1976. Because of our husbands being in the Air Force, we saw each other once in a while but always kept in touch one way or another. I will miss you and our talks. Be sure to give Rick a big hug and kiss for me. Give Gordie a big hug to. I know Rick will keep you laughing forever. You three better be good up there! I will see you all again one day. Love you and miss you, all three of you are in my prayers always❤️
