“ *Patrick, we are so sorry to hear of the loss of your mother. You and your children were her pride and joy. When we moved away from your family I said "The sight of so many good times might be gone but the memories will be with us always". I can say that again today. Your mom may be gone in the physical sense however her spirit through memories will be with us always. I have great stories and memories of being your neighbor for so many years. Your mom had the ability to make me cry and laugh in the same breath and her energy and enthusiasium were infectious. You and her family will be in our thoughts and prayers. May God's Mercy, Grace and Peace be with you as you celebrate Dawn's' life and mourn her loss. Ann Thompson, Doug, Amy, Beth, & Jason Cornelius.*
