“ I remember Dean messing with my Dad (Floyd Lee) telling him he could not catch him then proceeded to climb a tree in grandpa Lee's yard and my dad sat at the bottom of the tree and told him you have to come down sometime son. I don't know what time he got out of the tree we were long in bed, all I know is that he did not sit down at breakfast the next day. Dean I miss when we were still young and always hung together you will be remembered.
