“ *Debbie, has been my girl Friday for many years. She always came when I needed help with cleaning my home or yard. She and I would work all day in my yard planting flowers and pulling weeds. During these times we would laugh and share stories of the good ole days. Sometimes she would just show up at my door saying she needed a favor, she called me her girl and I called her the same. I am truly going to miss Debbie and to her family and loved ones I offer my deepest sympathy and condolences. I pray God grant you peace and comfort during this time of your loss of a loved one. Hugs to you all!!*

*Sincerely and Heartfelt,*
