“ Sara & Family...I am so terribly sorry for your loss. Deb (Miss Debbie as the boys would call her) is (I prefer that) a beautiful soul with a kind, grateful heart that God decided to call home. We grieve here but can take comfort in the fact that her sweet soul is at rest and that she no longer suffers or is in pain. I am truly blessed to have known her and better yet to have called her my friend. I will pray for you to have strength to get through this difficult time and to find peace. God bless all of you, your friends, and your family. Love you, Mary Dorcy P.S. I still remember that amazing cake she baked for Gene for his birthday and how she took such good care of the boys. So many wonderful memories for such a beautiful person. RIP Deb. You are truly going to be missed.

“ Debra was always kind, and will be remembered with her smile. She used to frequent The Active Lounge when we played there decades ago. I honestly can't think of a day where she didn't have a kind smile on her face. Rest in peace friend, you helped make this old world a nicer place.

“ We've been Friends for many years, ever since the Taylor Townhouse's in my old Neighborhood. My hair was dark then, your kids were little, and you were helping your Neighbor baby sitting. Debra was always there for People with a smile, and genuine sincerity. People were drawn to her light, her joy, and happy Spirit. Laughter always followed her around, and no One was more dependable than Debra. A better friend there is none. When I heard what happened, the floor felt like it dropped out beneath my feet. My Heart cried out for Her Family and close Friends, I can only draw strength from the Lord, and I Pray for the Peace that passes all understanding. A great Friend missed by so many, and shall forever be be in our Hearts, and Memories.

“ *Debbie was a very caring and giving person .Even though my brother and her have been divorced for many years she always felt like part of the family. When we were together at family gatherings it was as if we had never been apart and conversation just flowed. She was a wonderful mother and grandmother and loved her children more then she could possibly show. She will be missed by many people but will certainly be an angel watching over all of us!!*
