“ Thank God for you being the only girl taking care of her four brothers who wouldn't be here without your constant overseeing us through our lives.

“ You had such a wonderful life with so many experiences. I remember when we went to Myrtle Beach and stayed in your time share with Don, Robbie, you and me. It was so much fun and always wanted to go back there again. Maybe some I will get there. Also, all the good times that were had at your home in Burtchville with all the good food. Also, too much, but satisfied your brother, Don. I have been so blessed to be part of your life for the past 14 years. Thanks for all the memories. I am so blessed to be part of Don's life and for what he has shared with me and all the memories that we are continuing to have. May you rest in peace with Delford Jimmy and Lynn and all those that have gone before you. God Bless. Chris
