“ *Emily, Phyllis & Laura I am so sorry for your loss. Back when your mom and I were neighbors/friends she would always speak about all of you with pride and joy many beautiful memories/pictures shared when you were growing up, the grandchildren, son-in-laws and especially the times remembered with Mickey. Oh and who can forget her fur babies she loved them all so very much, I remember when she received Cindy Lou from one of my friends she loved her first time she saw her. I may not of seen your mom as much since we both moved, I will forever remember her for friendship, her advice, wisdom and for helping me through the loss of my mom. Not only was she an amazing friend she touched the lives of so many along the way.*

My heartfelt prayers are with all of you, and may GOD wrap his loving arms around you to help heal you through this most difficult time.

“ I am so sorry to hear of Denise passing. We shared many conversations after Mickey died. We had shared the experience of losing our spouses suddenly, She often said it helped to talk about it and we both knew that was important. After she moved we often talked about getting together when she came back to Munising. But could never make the date work. My sincere condolences to all of her family and friends. RIP friend. Bet it was a joyous reunion with the love of your life. Linda & Jerry Schwake

“ A beautiful woman inside and out, Denise cared deeply for those around her. In every conversation we shared, she gushed with love for her daughters (and son-in-laws) and grandchildren and loved to share memories of years past. Her sweet smile and conversation will be missed!
