“ As 2 years approach it still does not seem like your gone. Not a day goes by where I don't think about you. I truly wish you were still here with us all. I miss your smile, your laugh, the stories you used to tell and everything in between. Never in all my 34 years in this world have I ever saw someone work as hard as you and I am forever grateful to have you as my father. Forever and always love your daughter
