“ My dear nephew. You had a big sweet and adorable kind heart. When you were around or walked into a room it was "Denny time" as noted and people gravatated to you. I'll alwasy cherish the memories of baby sitting and the fun little boy you had been. You had become a great electrician and loved your work and friends. You always offered a hand to help out. I had not heard back from my Jan. 2nd message and only wish I had known the issues you were facing. Rest in Peace beautiful young man. You are loved and I will always remember you in the best way until our spirits join in the devine heavens.
