“ Dennis, you will be greatly missed! I cannot thank you enough for being there for me when I was growing up. I also want to thank you for being a loving and caring companion to my Mother all these years. I think I was probably 12 years old when the two of you met. Honestly, It seems like a hundred years ago. I will fondly remember your immense sense of humor and your unique ability to make everyone laugh with your seemingly endless array of jokes. Dennis, you were a gentle and kind spirited man and you were definitely one of a kind! Until we meet again my man... Save a cigar for me buddy and I love you!

“ Denny was an encourager to me at church, I remember when I had given the readings for the first time , when returning to my pew I saw him smiling and giving me two thumbs up. Always loved speaking with him about his past work life and found it always interesting and enjoyable . He always came to our board meetings at church early to get his list of services ready. Always faithful to his position. Now that he has gone home I will look forward to that great reunion in Heaven...I'll miss you Denny

“ Denny was as fine a human-being I've ever known. i worked with him in the 1970's when he was the superintendent of the DPW in the City of Bloomfield Hills. after we both left employment there we each went our different ways. i was able to look him up a couple of years ago and we went over old times on the phone, and i'm so glad that we were able to talk on that one last time. Rest in Peace Denny you were a fine friend.

“ Denny was always a kind and gentle man. We were on the board of elders at st peter Lutheran church, and were involved in the wild game dinners there also. He was an entertaining person to be around, he had so many stories about his jobs, and growing up in Richmond, and farm life. Always enjoyed a good laugh with him, he will be missed. Love ya Denny.
