“ *I have so many great memories of you Desmond you will truly be missed. We have been buddies for a very long time and I treasured the fun times we had together. I introduced you to your wife, Linda, my niece at a carnival held in New Haven one year can't remember the year, but that was the greatest thing that I could have done for my friend is to give him the best that I had. I am really gonna miss you, my buddy I am really gonna miss you my friend.*

Desmond (Jim Dandy) my brother, I have so many memories of you and I loved so much about you. My favorite memory of you is when you carried that brief case and wore that Afro wig. That was the bomb! You also know that I loved this pink sport jacket. You knew who you were and that was all that mattered.

You've gone on to the holy land now, tell my son Alonzo💔 he better treat you well and I will see you both when I get there. I love you so much💔
