April 11, 1954 - February 25, 2014

Dewey Glenn Thompson, “The OG”, known most as Dewey, but to his wife, as Dew Daddy, age 59, of New Haven, passed away on February 25, 2014, in his home, with his family by his side. He was born on April 11, 1954 to Teressa L. Thompson, his step-father, Edward Dozier, who raised him as his own.

Dewey was a graduate of Flint Northwestern High School. After graduation, Dewey enlisted in the United States Marine Corp. and later attended University of Michigan, Flint Campus. Dewey was most recently employed by A.B.M. at the Ford Proving Grounds, Romeo. He enjoyed hunting, fishing, playing pool and watching sports, with the guys. He loved spending time with his dogs, Boss and Falcor. Dewey was a very lovable person, as well as having the gift of nurturing the younger men in the family and the community. He always made you comfortable and welcome. Dew loved to entertain, making him the perfect match for MaMa Doll.

“ Don't count the years they matter not, count only the dreams that the years have brought. the happiness and the faith so dear the moments you have treasured here. Don't count the years only the smiles the peace you have known and the weary miles The laughter you have had Years are but numbers Tis living is what counts A heart that knows joy A mind filled with love count every moment you had with Dewey never the years from ms lockett

“ My condolences go out to the family of Dewey Thompson. Dewey and I have been friends since I was at Whittier and he was going to Central. I consider Cliff and Diane family and have much empathy for the condition of his passing. In the early years Dewey liked to be the center of attention. He has always had the gift of gab. My heart goes out to the family.

“ I met Dewey in 1982 at The University of Michigan-Flint. It didn't take long to realize that he was as young as me and I as old as him. We instantly became friends and as time tested us, we became the best of friends. And then there was distance... a physical distance that tested our love and understanding of each other yet again. It's one thing to love a person and another to understand them... we understood each other. Shorty (Dewey) knows that I miss him, so I tell the world about an unlikely friend and a friendship that few have had the blessing to experience. Dewey's loyalty, love and devotion to friends and family will always be appreciated by this skinny kid that needed a ride home from work in 1982. May God's grace be ever present in his family's lives and God Bless my God Daughter Darias at this trying time.

“ *I had the pleasure of meeting Dewey during the final phase of his life--as his doctor. Dewey had a nasty cancer that caused him great distress. There was little we could do for him. But he showed all of us how to live his life--what little he had left--he married Jeanette and confirmed that loving people find a way to love even when they are at the end of their lives. Thank you Dewey for being that kind of person.*

“ I've had the pleasure of knowing Dewey for too short a time at Ford. We talked about Harley's, especially his passion for the Sportster, and briefly about the Marines. He always had a kind and friendly greeting! And always brought a smile to my face when we would meet! God Bless you Marine, and your support for our great country during the Vietnam Era. A true Patriot! You are deeply missed!

“ So sorry that the family is going through this right now. Dewey was a great man and loved by everyone. He always had kind words and always asked how my family was when we seen each other. On Christmas day even while dealing with his own illness he had encouraging words for me about my mother who is currently fighting this disease for her life. There is no better place for him now, he is with god and no longer suffering, Mama Doll we love ya,and our thoughts and prayers are with you at this most difficult time, please let me know if there is anything I can do for you, love, Chrissy, Emily, and Cadyn
