

## Diana L. Arnold

June 9, 1956 - August 2, 2021

Diana Lynn Arnold passed away peacefully on August 2nd, 2021 with her family at her bedside; she was 65. Di never lost her battle to cancer because she didn't stop fighting. No matter how difficult it was, she remained determined and never let her illness define her.

Di's greatest love was her family. She proudly spoke of her husband, David; her son, Michael; her daughter, Lisa; and her "added kids" Amanda and "Kolman" whom she loved and cherished as her own from the day they entered her life. Her most favorite role in life was "Nana" to Connor and Andrew. Lest we forget to mention her dog, Ruby, whom she referred to as her "Office Assistant" during her time working from home.

Diana worked at Woodland Developmental Center for the past 22 years as the administrative assistant to the principal. Prior to that, she was employed at Port Huron Hospital.

When she wasn't working, Di loved spending time with her family and friends at their cabin in Lupton in Northern Michigan. She was always happy to share and welcomed anyone that was able to join in the fun. One of her favorite cabin activities was enjoying a fresh Corona with lime as she cruised the lake on her pontoon boat with her captain, Dave. More-so, however, she got the most joy from watching her grandsons swim, fish, and enjoy life.

Diana had a lucky hand and could spend hours playing the slot machine at the casino, but nothing was bigger than the love she had for her friends and family. Di was a friend to all, as anyone who crossed her path could attest.

Although Diana has physically left this Earth, her memories remain within the hearts of her family and friends. If we could all take a page out of her book, it would be to live life to the fullest and enjoy those around you.

Diana is survived by her husband, David; her children, Michael (Amanda) and Lisa (Michael) Kolman; her two grandsons, Connor and Andrew Kolman; her sister, Shirley (Ken) Mapley; and countless extended family members and great friends. She was preceded in death by her parents Harvey and Ruth Hyde and a beloved sister, Carol Strickland.

Cremation has taken place as per Diana's wishes. A private family service will be held graveside. A celebration of life gathering will be held in her honor and announced at a later date.

Cremation arrangements in care of, Jowett Funeral Home, 1634 Lapeer Avenue, Port Huron.

“ *I was honored to met such a Wonderful Friend when I met Diana up north at her cabin. We became good friends that day and we laughed at the canoe I helped her paint that day. We had many laughs and quality time together. Our party on the Lake one time in the float was a blast! Our time we had meeting at different Casinos was always a fun time! One time I called Diana in such a panic and she talked with me and explained a lot to me. I will always be grateful for that day. Diana had a Golden Heart and was a Wonderful Lady. I will forever be Grateful for the Wonderful Friend I had and I'm still in disbelief that she is gone. God always takes the Best for His Kingdom. Diana and Dave & Family will always be in my Heart to me they are my Family from UpNorth. Di I miss you and just knowing I will never be able to share with you again breaks my Heart. I will never ever forget you. Love and Hugs my Forever Friend, Till we met again!!* ❤️❤️❤️🙏🙏🙏
