“ Diana was a warm, loving, spirit filled woman who extended her kindness and love to all. Loved sharing spiritual inspirations and nature photographs with Diana on facebook. Will miss her but knowing she is in heaven overlooking her family and friends should bring comfort to her family and friends as well. My heartfelt sympathy and condolences. “ I have so many memories with Diana. She lived with me at one time and I lived with her another time over the years. We met senior year of high school in typing class. We both got in trouble for taking pop to typing class and became fast friends. I visited and got to meet her children once and i am thankful for that. I have many many memories with her from high school and our lives as young adults and she will be missed.
