“ When I was youngster, I met Diane when her father Chis was temporarily working in Crawford county Pennsylvania and I think my father's boss. We shared adventures and also visited them in Detroit. The home Diane grew up was very interesting to me, just was her neighborhood. I grew up in a rural community on as very small farm in a single family 3 bedroom cape-code style home. My dad taught Diane to drive our small tractor. I was sad when my friend move back home to Detroit. We were just kids and lost touch yet Diane found me and we had a nice phone conversation. Somehow though I lost her number and recently discovered it while organizing my stuff. I am so sorry that we lost touch as these days I could visit. I am so happy she had a daughter and grandchildren to love and share delightful memories. Diane was a treasure to her mom and dad and even when we were friends she was loving on her pet dog. My condolences to each of you. Sharon (Klinginsmith} Ferguson now residing in Meadville PA
