“ I remember Diane from the MS support group that her & Rod were in with my parents. I always admired how she cared for Rod and her family no matter how tough their situation was. I was just a kid when we went to their house to visit but she was an inspiration to me even at my young age. She definitely put her family first and loved them very much. May God give your family strength as you mourn the loss of Diane.

“ Rod & family.. My deepest sympathy. There are no words. I have known your Mom since kindergarten .. When I finally returned home after 42 years we picked up right where we left off. Had a great summer having lunches & going on the rock & roll cruise on the Duc. Diane loved you all so dearly and shared so many wonderful stories of her kids & grandkids. She is now an angel and I feel so blessed to of called her "friend".
