“ Growing up Diane played a big role in my life. Alex and Dylan were some of my best friends as a kid so I got to spend a lot of time with Diane. Diane was always so fun to be around and had a way in making people smile through some pretty rough times. Her heart was so big and full of love. I'm so thankful I got to know Diane as a child and grow up with her always around. I just want to thank Diane for being there for me during rough times that I don't think she even knows she was apart of. Rest in heavenly peace !

Love always
