“ Always clowning and always loved having fun and being out and about man do I miss you like crazy ☐ r.i.p. bestiee ♥ forever young and never forgotten 🙏 unfortunately I lost so many videos and pictures of us to long to explain but I'm still trying to find them ♥ the videos we had were so funny and that was the most recent time I had saw you ☐ I remember taking like 50 different pictures if not more 📷 and videos on Snapchat lol but ever since all my accounts got hacked I haven't been able to retrieve them but I'm still trying to figure it out you had your red led lights on rapping and also trying to not wake your mom up at like 3am lol and that was more recent I came to visit because u got home from being away to long and I pulled up on y'all after work and we had so much fun I wish there was something I could do to prevent what happened between Dorian and now you it honestly still makes no sense I'm still In shocked but then at times it hits me but also there's times I'm just numb you were way to young to go and I get furious because I know the people u and Dorian met werent good people or influences and then now look and then leave all of us especially all the work you put in and the demons you beat I just find it so unfair how your life went ever since 2010 summer ☐ you fought so hard for so long through so much !! but ya know what you would want all of us to be positive and stay positive it's also better said then done.. just so many questions I have for you that u can't answer ☐ xoxo forever missed and loved.
