“ Sending my deepest sympathy to the entire Fox family. I graduated with Bob and worked with Delores in the High School Office in the mid 1970's. She was the glue that kept everything together! A very dear lady!

“ Mom,  
To say that we loved you unconditionally, is only scratching the surface of how much you meant to us. We were so blessed to have you in our lives, and we will cherish our memories with you for the rest of our lives. You brought so much happiness to us and our hearts will never be as full as they were when you were here with us. We will be forever grateful for everything you did for us. We know how much you loved us, and we can only hope that you felt the deep love that we had for you. You will be forever missed, but we have found comfort in knowing that you have joined Dad and are together again. You will always be in our hearts. You were a wonderful mom, and we thank you for loving us and teaching us the true meaning of unconditional love.  
In our hearts forever,  
Bruce and Lori

“ I had the pleasure and the honor of working for Delores once a week for over a year . We had so many good conversations. We laughed together and we cried together. Delores had so many wonderful and interesting stories of things she had experienced from her childhood to the present. Delores was a kind and good person. She loved to talk and she was a good listener. My condolences to Bruce and Laurie who took such wonderful care of Delores.

“ my grandmother Was an amazing woman. I will always admire the love she had for my grandfather (before and after his passing) and her amazing memory when telling stories of her life experiences, remembering every little detail along the way. I am so thankful she was able to meet Gavin but wish he had the opportunity to hear those same stories the way that I was able to. I am at peace knowing she is in a better place now. We love and will miss you grandma!

Ryan and I are so lucky you got to be around for a lot of big moments in our lives, and I wish you could be around for more. I miss you so much, but I'm very happy you're with Grandpa again. Say hi to him for us. I love you!

“ I am so sorry to hear of the passing of Delores! I will always remember when we first met she told me call her anything but Delirious. We laughed so hard about that. I mainly want to send prayers to Stanley, Bob & Barb and their families for their loss of a loved one.
