“ I can't believe he's gone, you always think you have time to see or visit someone and time just slips by. I can still remember going over to his house and watching him ride his first motorcycle, a QA50 that he got for Christmas, a lot of memories have come flashing back from all the years we hung out together in the old neighborhood, reminding me to never put off till tomorrow what you can do today. I am so sorry for his family, and loved ones to have lost him too soon!
Sincerely Joel Huffman.
