“ First, I'd like to say to his mom and children, how sorry I was to hear about Donny. I was in shock..

I knew he hadn't been well in awhile, we always kept in touch. We got together in 2001 when he had his duplex with Donny and Jason, it was a short six weeks, but some of the best memories I'll ever have. He'd have a picture of strawberry daiquiris waiting for me. Wasn't sex, more friendship than anything. We'd talk, laugh, listen to music from our time and dance, just alot of fun. It was so hard to end, and never got to say goodbye to the boys, and his daughter....I hope you all know how lucky you all were to be a part of him.

My prayers, condolences, and love go out to all of you!

Don will be sadly missed, but I'll always smile when I think about him, he made me laugh and loved to dance, like me...

Donny, I hope you're dancing with the angels!!!

God Bless..
