“ *Through the years there have been many ups and downs but one thing is for sure, I have always loved my dad. He was a very hard worker and instilled that in all of his kids. He served his country with pride in the Marines. If someone was in need of help he was there to help even if it meant putting his own things on hold. He will never be forgotten.*

“ *May you finally find the peace you deserve and dance the night away with Rose. God blessed us with your laughter, smile and that hard working attitude. You never let us forget that we are proud people and that our family is strong, stand up for yourself and be the best you can be. You opened your heart up to us and showed us that love is unconditional. God has taken you to plow his fields in heaven. So, for now spread your wings and fly...God Speed until we meet again. Your loving son and daughter-in-law. Rex and Teresa Lenk, Pennsylvania*
