“ Kim, Thank you for your message on the passing of your Father. I have missed him since he moved from Fawn Lake and talked with him last earlier this spring. Your family are all in my prays and the Lord will be with you.

“ My mother and I knew Don at Waltonwood. He was a kind and interesting man and we both enjoyed conversations with him. For the last year my mom was there, Don always stopped by wherever she was sitting and gave her a kiss on the top of her head. We started calling him her kisser. We are both sad to hear about his passing. I will always remember the kindness he showed my mom.
