“ I want to offer my condolences and love to my family. We lost an amazing loving Father, husband and friend. He had a huge heart and had trouble showing his emotions but anyone that knew him knew this about him. Over the past 30 plus years myself Jennifer Deane Whitcher-Winslow and my brother Terry Gene Whitcher lost connection, there was much distance with time and miles however none the less we existed, although not included in this Obituary. Again much love and Condolences to the family my prayers are with all of you..especially Carmen She loved her paw paw.
