“ Donna always invited my brother and sister and myself into her home we spent many day’s swimming, riding the snowmobile, and just being kids . She never spoke a harsh word and cared for us like her own. I’m sure she is in heaven having a great time with my mom. They were forever friends. She will be dearly missed but gave all of us wonderful memories!

“ My dearest Aunt and best friend, I will miss you every day for as long as I live. You are in the presence of Glory and the fullness of joy is now yours forevermore and although my heart hurts greatly, I am happy that you are in Our Precious Lord's arms and fully engulfed in His Magnificent Love, you see fully now and are wearing a crown of life, so i will not mourn forever because I will see you again, and oh what a joyous reunion it shall be. Until then I will reflect on the love we shared...that gift I will hold precious always. Dear cousins, I am lifting you all up in prayer daily, may you be comforted in your sorrow by The One Whom is well acquainted with our grief and knows how to heal broken hearts. I love you all.  
Love, Theresa
