“ I have many memories of my mom. But this one sticks out. I was in the hospital having Cody, she stayed with me the whole 3 days. After my C-section they took him to the waiting room were she was and she had to show everyone her grandson. She was so proud of me and him. RIP mom love you

“ Sis welcomed me into the family as soon as we meant. I always had a good and interesting time when we were together. I especially enjoyed watcher her give Dave Kinney a hard time. Will never forget her saying "You can't keep a polock down". She will be missed by all, but I know she is raising Hell up there in Heaven with Dave. Poor Sonny is probably trying to hush them up..lol.
