“ Little did I know that the cute little 7yr old blonde with the unforgettable dimple and smile would grow into such a big part of my life when I was just 17, you know what I mean...a year shy of a half a century ago. Decade after decade we would get together and pick up just where we left off, you know what I mean. She will be missed greatly as I pick up the phone looking for my friend, you know what I mean, since I was just 17. I pray Joey, Jackie, her brothers and sisters and their families stay strong as a family during this dark time. Doesn't her picture capture her well, you know what I mean, she was my friend even when she was 17.
