“ I met your gracious Mom on Thanksgiving a year ago. Now I know where Claudia gets her great smile and sweet personality from. I'm glad to have the memory of her and though she is in a better place, she will always be remembered.

“ Aunt Doris was always very kind to me all the years she was in my life. I have nothing but very fond memories of her especially growing up. She actually was my first babysitter all those years ago. I can remember going to her house around Christmas time on Lindsey Dr. in Plymouth. I can still picture the Christmas tree in living room picture window. I spent alot of summer days with Loren over on Lindsey Dr.....we sure could use more people like Doris in this world. God bless you Aunt Doris. I pray your in a better place.

“ Doris and I spent many fun times doing crafts, going out to lunch, shopping for clothes, sitting at the river watching boats while eating ice cream. We talked on the phone everyday. Doris kept me entertained with all that was going on at the Lodge. I feel blessed to have had Doris in my life. I will miss you my dear friend. R.I.P. love Anne and Lawrence
