“ I will miss Dorothy's infectious smile! I remember Chuck pushing her around in her wheelchair on one of his daily visits, throughout the building! I stopped to say hi to both of them, and I reached out to Dorothy! She grabbed my hand and had a huge smile on her face! Chuck asked her how come I get such a big smile! She was a sweet woman and always very kind to me! Chuck and Patricia, you guys are in my thoughts and prayers!

“ *God looked around his garden  
And found an empty place.  
He then looked down upon the earth,  
And saw your tired face.*

*He put His arms around you  
And lifted you to rest.  
God's garden must be beautiful,  
He always takes the best.*

*He knew that you were suffering,  
He knew that you were in pain.  
He knew that you would never  
Get well on earth again.*

*He saw the road was getting rough  
And the hills were hard to climb.  
So He closed your weary eyelids  
And whispered "Peace be thine."*

*It broke our hearts to lose you  
But you did not go alone...  
For part of us went with you  
The day God called you home.*

*We ALL LOVED Aunt Dorothy and knew how much she loved her entire family.....parents, husband, siblings, children, grandchildren, great -grandchildren, nieces, nephews. She was very proud of each and everyone, and there was nothing she would not do for her loved ones. She had such a passion for life and we loved her smile. I was fortunate to be around her in my younger years , until we moved. I missed out in the later years, but I always felt the love. She told me once when my Mom was very ill, "if you need me, you close your eyes and I will be standing by your side with arms around you. " That helped me tremendously and will be with me FOREVER . I LOVE you, as we all do Aunt Dorothy, and you will be missed. Heartfelt condolences, and prayers. May you REST IN PEACE.*
