“ My fondest memories of "dad" were all the times I spent the night at his home with my BFF Bev. Tasting Rabbit for the first time, home made donuts, watching chicken run around with no heads (lol), and all the coon hounds. I never felt so loved and belonged than I did when I was there. RIP Dad Drummond. Your memories will live on.

“ My funniest memory of dad was years ago Ma was in Sandusky hospital for a surgery and needed a new gown...dad called me and we went into kritzmans botique in Sandusky. So he wasn't sure of the size so we're in the women's Dept and he's holding all these gowns up to me an calling me honey and I'm calling him honey back...the 2 sales Ladies kept staring and whispering about us. So we checked out and dad says these are going to look good on her.. 🤔😂🤔 what looks we got. He was the only man that I ever called dad..
