“ My heart is broken at the loss of my Uncle Duane. My father, Jim Frazer had no biological brothers, But Stoney was his brother, I can still hear him saying my Brother Stoney, One of my favorite memories in life was when my mom and dad let me go for a ride on the back of his Harley. I was about 12 or 13, my mom, Beverley, was like Duane be careful, we headed down Michigan Rd, to Ravenswood, nothing to exciting, then we hit Range Rd, and he said hold on to me tight, an opened her up. OMG, I will never forget that moment. My brother Marty was on the phone with him a week or so ago and we were planning a visit. Marty always tries to talk in his Stoney voice. We are so sad, we did not make it out to see you. I know your up there with my dad, mom, and all of our extended family members that have past before you, Send my Love. I love you. Deborah
