“ You have been my dad my whole life. I AM the roofers daughter! Your little JoJo, and your carbon copy, even if it led me down some twisted roads. Rich got your looks, and a couple of us girls got your personality! (Don't worry little sister, I won't call you out). My life will never be the same knowing your not close enough anymore to just drop in, (a fact I admit I took for granted). But you will always be in my heart singing, fishing, yodeling, and playing euchre. (And telling off colored jokes). My grandkids will know all about you (well the age appropriate stuff) and will beg to hear more stories! I love you forever dad!
