“ So sorry to learn of Dwain's passing and will have all of you in my prayers. As the oldest cousin, I was 14 years old when Dwain was born. I remember holding him as a baby at Uncle Danny's house. A lot of years slipped by ... and the few times I saw him as an adult I thought this was someone I think I would really enjoy getting to know better. Distance kept that from happening now, but one day in that "better place"... May Christ who is resurrection and life give you all comfort and peace.
