“ my daddy was an amazing person. we had our fights but nothing to bad. my dad always loved his kids and wont stop now that hes gone. I wish I could see him one more time and let him know I am ok. my dads would always take us kids fishing. we would always go to the same place but we didn't care. as long as we were with him that's all that mattered. my dad was and is a very special person. I love you daddy and miss you very much.

“ I remember my brother as having a gentle humble spirit. When he stay with me he attended church and would help out around the church. He had a great sense of humor even when going to the doctor he would joke, like one time he ask for his blood back. He never met a stranger always smiling. I love you my brother you left me way to soon if I could just see you one more time. When I cross the ferry I will think of you.
