“ When I think of Ed a couple of times come to mind....he took Sue and I on a run to drop off material at a building site across from Frazho airport (don't remember the actual name), but the truck was so high up and planes were landing and taking off and it was some scary fun! And I think my first boat ride ever was with the Loehnis'. We went fishing off Harsons Island and I literally caught a boot. He was a great guy :)

Dear Susie and family,

I was so saddened to hear of Uncle Eddie's passing. He always had a smart ass answer and smile that I could always count on. If I wanted to be sassy, I would just go talk to your Dad! He was a wonderful friend to my Dad and Recca and my dad would always have a smile on his face when he talked about him to me!! Baby brothers always have that soft spot in their older brothers heart! I am sure there is one heck of a card game going on as we miss him! He is good hands, just not ours, anymore. I pray for healing and adjustment for you, it is so hard with both parents gone!

Love you all
