

Edward Stebner

July 15, 1938 - November 25, 2021

Edward J. Stebner, age 83, of Ray Township breathed his last breath on Earth and first breath in Heaven on November 25, 2021 – Thanksgiving Day.

Ed was born on July 15, 1938 in Detroit, Michigan. He was the son of the late Adolph and Grace Stebner and was a sibling to his late brother and sister, Theodore (surviving spouse, Delphine) and Carol. He married the love of his life, surviving spouse, Patricia Ann Lochirco on September 5, 1959. Their 62nd anniversary was recently celebrated. He will be greatly missed by his three children: Jeffrey (Terri), Randolph (Mari), and Christina; his four grandchildren, Chris, Mitchell, Ryan and Adora; and many more close relatives and friends.

Ed had many passions in life that centered around his family and the great outdoors. He loved Northern Michigan, Door County, Wisconsin, and the tropical shores of the Gulf of Mexico in Florida. Thanks to Ed's generous heart and his willingness to share, many cherished memories were formed.

Ed had a long and prosperous career as a steam/pipefitter. He was an avid golfer, enjoyed his boats, devoted his time as a Commander of the Coast Guard Auxiliary in Florida, and was a proud veteran of the United States Army.

We will always remember his sparkling blue eyes and keen intelligence. Ed

will be sorely grieved by all who knew and loved him.

See ya on the golf course, Ed!

Church service will be held on Saturday, December 18, 2021 at 11:00am at St. Peter Lutheran Church & School, 17051 24 Mile Road, Macomb 48042.

Visiting will be from 10:00am until time of service, followed by a Military Honor & Tribute at Resurrection Cemetery, 18201 Clinton River Road, Clinton Township 48038 where Ed will be laid to rest.

Arrangements entrusted to Jowett Funeral Home - New Haven.

“ I am so sorry to hear of his passing.
His family were like my family growing up in Michigan
I am driving into siesta key and looked him up as I was wondering if
I could potentially meet them today. I am so saddened!!! Love all of
you guys so much!! His sense of humor, his genuine love and care
will never be forgotten.

Would love to touch base with family somehow

“ Hello! It's Adora. I was just thinking of you and happened to see this
website again. It's been about a year and we still miss you! I also
wanted to share a memory I didn't share before... I remember when
you were laying on the hospital bed, your eyes closed and your
breathing shallow. No one was getting any responses from you. But
when I held your hand, you squeezed it back! That's something I will
never forget! Thank you Papa, for everything! I love you to infinity
and beyond!

P.S. Like I said before, it's been a year... so how's Heaven been?
Whatcha doing up there? :)

“ *Dear Pat and Family, Our families shared many happy times together throughout the years! Buzz and I always admired the projects you and Ed worked so hard to complete, yet you were always ready to lend a helping hand when we needed help! I can still see Ed in his Cub Scout Master's uniform, when Randy and Rick were Cub Scouts! As our life paths drew us in different directions, we always seem to keep in touch. Ed's strength of character, great sense of humor, and kindness will be missed and remembered by my family and me. I'll bet he and Buzz are repairing a hinge on the Pearly Gates!*

“ Reflecting on good times shared together in each others' homes playing charades and eating good food together--good conversation with good friends, even visiting you both in your Florida home. Pat, you and Ed were always working on some project on the house or in the yard every time we walked by. I know you will sorely miss your Ed. I am so sorry. And he was the glue that wrapped all his sweet girls together too! We love you! Maggie and Bob

“ Uncle Eddie was one of a kind. I will forever cherish the fond memories of weekends together with our families. His love for the great outdoors has forever. Impacted my life. His twinkling blue eyes and stubborn grit were guideposts for not only myself but many that knew him. I am grateful for all the memories. May he Rest In Peace with our Heavenly Father.

“ Well Ed, I still remember spending your birthday at your son's house which was a blast as always like the party at Grace & Fred's house that you were a hoot...My cousin Pat & you were living in Wis., Florida, MI so we never spent as much time as I would have liked, but you were always a fun guy. Like others have said, you had sparkling blue eyes... You will be missed & loved! No more pain...Rest in Peace. Love, Cousin Sarah

“ Ed was a great guy and a great brother-in-law, he would do anything for you. We visited him right before his passing and I was telling him that I remembered that years ago I was warned not to call his Harley Trike motorcycle a 'tricycle' and as a former coast guard commander, he could show me how to tie a 'slip knot', he opened his eyes and gave me a little smile. His outward appearance was a like a bear but inside he was a mild, gentle soul. You will be sorely missed. My sincere condolences goes out to Pat and the entire family.

“ I'm so sorry my brother-in-law, Ed has passed away. He was a good man. He would do anything to help out. He will be forever missed. All my love and sympathy goes out to my sister Pat, Jeff, Randy and Christina and all the grandchildren, you are forever in our hearts. Love you Ed -- Trina Mocerri

“ Ed was a wonderful father-in-law. He was rough around the edges and tried to be a "hard ass" at times, but I knew (as did everyone else) what a teddy bear he was inside. When he was in the hospital, I was going to leave so someone else could visit with him, but he told me to sit, stay, visit a little longer, which I did, of course. I will always remember his generosity, his hugs, and those amazing blue eyes that really did have a twinkle in them. I will miss you terribly, "Big Guy." Until we meet again in Paradise, much love to you.

“ Although I did not get to know Mr. Stebner as much as I wish I had, he was always a kind gentle soul. Wish I had been able to make him thumbprint cookies one last time. I'm sure Dana was one of many welcoming him home.

Tina, Adora and Mrs. Stebner I am sending you all my loving hugs and JuJu.

Godspeed Mr. Stebner

“ We extend our sympathies to the Stebner family. We shared many wonderful times with Ed and Pat in friendship over many years and also working with Ed in the U.S.Coast Guard Auxiliary in Venice, Fl. We will always remember the surprise Ed and Pat gave us when we were on our boat overnight. They showed up and "rocked the boat" to wake us up. They brought us a treat that we all enjoyed together. It was quite a memorable night.
We also spent many trips on patrol with Ed on his boat in the intercoastal. We will always hold fond memories of these moments.
