“ *Edward J. Watson was the person who allowed me to become his neighbour. He always assisted me when I needed a sofa to sleep on or was lonely in my camper in his back yard or needed a place to clean myself up. I have years of good memories with him and was sad to hear that he passed away. I will try to open my house for guests as he always did to me. May God give him eternal rest...*
Humbly, Art Tjorn (Neighbour) ”
