“ So sorry to see this. Eileen and Ron were my neighbors in Kimball. They were the best and most helpful neighbors you could ask for. I will never forget her moral support during my bout with breast cancer and other hard things I faced at that time. I truly appreciated her straight forward advice, she was witty and didn't pull any punches. She inspired me to find my own value and outlet, through her creativity and artsy projects. I will definitely regret not reaching out after her and Ron moved. I loved Eileen, she'll be an easy one to remember. Hugs to the family

“ I've only known Eileen for a few short years, she was my neighbor. The first time I met when i moved in. She was the sweetest, most kind-hearted person I have ever met. I have never met such a fighter in all my life was she was an absolute inspiration to me. She will be greatly missed by our whole block. Rest in Peace Eileen.

*My Bestest friend and sister. I am glad you are no longer in pain. You truly fought the fight! My heart is broken. Thank you for all the wonderful memories. (We did have some fun) I don't know what I am going to do without you. When you left you took a piece of my heart with you. I miss you terribly already. I know you are flying high with the angels and one day we will see each other again. Rest in peace beautiful angel. I will love you forever.  
All my love, Fran*
