“ To my dear cousins. This message comes from sheila and Keith (nova scotia) We are so happy that the last visit Auntie Eileen made to Nova Scotia was spent at our home. When Auntie was present it always meant lots of laughs. There were lots of fun times over the years . We will always remember the skit that our mom and aunt Muriel use to put on with your mom. the 3 old toothless ladies; how we laughed. We so wish that we could be there next Saturday for a final good bye to her. Our thoughts and prayers are with you all at this time. God Bless ! Love ya loads.

Awe! She really loved you and Paul! Remember the night we went swing dancing? She had a sore knee, but insisted on dancing "in place"! We will all miss those good times at Pointe West!

“ So sorry to hear of Eileen’s passing , Gilbert and I have a lot of great memories, and fun times with Eileen on our visits to Florida. Whenever her cell phone rang it played music she’d always jump up and grab Gilbert and they would dance to the tune, then Eileen would have to call back. Your mom was so easy to love and that she was. We will miss you Eileen Gods speed my friend.
