“ My Aunt Liz was a beautiful and kind-hearted woman who always had a smile and a hug for me every time I visited her. She will be missed. But I know she is on a greater journey right at this very moment. Take care Aunt Liz. Tell the rest that I say hello and hope to see you all in the not so distant future. With love, Stephen K.

“ I extend my deepest sympathy to the Brewer family. During this difficult time I wanted to share the hope found in the Bible, the hope of the resurrection. Jesus stated at John 5:28,29 "The hour is coming in which all those in the memorial tombs will come out." And at Revelation 21:3,4 it states that there will be a time when "death will be no more." These scriptures give us hope for the future as respects to our dead loved ones. Those scriptures have brought comfort to me and I hope it does the same for your family.
